Site visits	Morning	Various (see website)
Professional investors' lunch	12.00 noon	TBC
Sponsorship packages	All day	Various
Falmouth Sea Shanty Festival		Free time

(order on pages 10-11)

2 - ABOUT THE UK MINING CONFERENCE IN CORNWALL

Date: 11-12 June 2025 (with pre- and post-conference events)

Venue: The Princess Pavilion & Gyllyngdune Gardens, Falmouth, Cornwall, TR11 4AR

Proudly created by Cornish Lithium in 2019, this event has grown to be one of the most important sustainable mining, investment and energy conferences in the UK.

Held immediately before the International Sea Shanty Festival in Falmouth, it brings together like-minded people to celebrate, and deliberate upon, the UK supply of critical minerals and the renewable energy transition, all fundamental factors in meeting the government's target of net zero by 2050.

With activities spanning a total of four days, there are ample opportunities for site visits, networking suppers and specialists meeting forums.

The mining industry is pivotal in securing the country's mineral supplies, with its pioneering methods to re-work mines in Cornwall and develop systems for discoveries in other parts of the country. Meet the explorers, sustainability experts and future miners.

We extract minerals and metals to provide for the world's growing population; from fertilisers for increased crop production and aggregates for construction, to metals for transport and communications technology.

Enjoy the optimistic, proven plans for growth and the resurgence of mining in the UK's economy, and how companies are complying with ESG requirements.

Delegates include exploration companies, mine operators and suppliers, investors and brokers, academia and students: all prepared to take projects to their next level.

If you are in, or interested in, this industry, you need to be involved, and, if you have a compelling story to tell, consider speaking to this high-profile audience.

Testimonial: *"The UK Mining Conference proved a very valuable experience for Aberdeen Minerals. We secured a major investment, as a direct result of presenting at this prestigious event."*

Enhance your presence at the conference by sponsoring an event or applying to exhibit. There are also 1-2-1 meeting tables available where specialist subjects will be discussed.

Exhibit with a tabletop, chair, space for pop-up banner (max 2m wide) plus a day delegate pass for one person and the chance of 3-minute speaker slot to encourage delegates to your table (limited speaker slots available).

HIGHLIGHTS FROM 2024

- 370 Day delegates
- 40 Speakers
- 30 Exhibitors
- 2 Networking suppers
- 1 Gala dinner
- 5 Awards for exceptional services to the mining industry
- 1 Live entertainment show
- 12 site visits (with 70 participants)

3 - SPEAKER OPPORTUNITIES

Reach out to delegates from exploration companies, mine operators and suppliers, investors and brokers, academia and students: all prepared to take projects to their next level.

Benefit from your branding on the UKMC social media platforms, marketing literature and publicity.

5 - EXTRA MEETINGS & SYMPOSIUM

Geothermal Forum NEW THIS YEAR

Tuesday, 10 June 2025, 10.00am – 5.00pm

The Theatre
National Maritime Museum
Discovery Quay
Falmouth
TR11 3QY

A full day symposium inspired by Geothermal Rising Association and Eden Geothermal - for academia, investors and developers.

The **UKMC** consistently attracts external investment and key members of government to the area, who are instrumental in driving both the mining and geothermal sectors' development.

The **Geothermal Forum** will facilitate connections between the mining and energy professionals to promote interdisciplinary collaboration, helping influence policy by providing a united front from both sectors.

Speaker sessions, networking lunch and 3 x refreshment breaks included, only £50 per person.

Geologists' Breakout Session NEW THIS YEAR

Tuesday, 10 June 2025, 2.30pm – 5.00pm

The Learning Room
Boardroom National Maritime
Museum Discovery Quay
Falmouth
TR11 3QY

Join the earth historians in a discussion led by Geologist, Fraser Gardiner of Aberdeen Minerals, to share and recommend new exploits. From Scotland to Cornwall.

Free to Conference delegates, limited places on first to register basis.

6 - INSIDE MINING SEMINAR

Inside Mining Seminar

Tuesday 10 June 2025, 2.00pm – 5.00pm
The Library
National Maritime Museum
Discovery Quay
Falmouth
TR11 3QY

**The industry explained in half a day.
An excellent insight for everybody associated with the mining industry.**

This 3-hour seminar covers the mining cycle, from exploration and investment to extraction, processing and marketing. Recap on the difference between resources and reserves, the different mining methods, the source of the industry's finance, where your company fits in the supply chain. Learn mining's jargon and key phrases.

Developed by industry analyst **Dr Chris Hinde**, formerly of S&P Global, and delivered by **Dr Paul Freeman**, formerly of Joy Global and Komatsu.

Presenter: Paul Freeman

ABMEC Past President, formerly Global Sales Director, Komatsu Mining Corp,

- PhD in Rock Mechanics, University of Wales, Cardiff
- Past President of Cardiff University Mining Society
- Over 40 years' experience of mining around the world
- Longwall mining equipment specialist

Programme	
1.30pm	Registration and Coffee
2.00pm	The Mining Sector Size and shape of the global mining industry, including a summary of the largest mines/companies, and the most important commodities.
2.30pm	Geology and Mineral Deposits Summary of the target minerals and metals, the geological processes, the types of deposit and how we measure them.
3.00pm	Mining on the Surface Examination of the main mining methods, techniques involved and the types of equipment used.
3.30pm	Coffee (15 minutes)
3.45pm	Going Underground Review of the main underground mining methods, the techniques involved and the types of equipment used.
4.15pm	Commodity Recovery Overview of metals-recovery stages, including milling, smelting and refining, and of waste handling.
4.30pm	Mineral Economics Explanation of the influences on metals demand and supply, and on costs, and the long-term price behaviour of commodities.
4.55pm	Q&A & depart
Cost	Only £150 to conference delegates (full price £300); free to media.

7 - SITE VISITS

The following companies intend offering site visits on **Tuesday 10 June & Friday 13 June 2025**.

Details will be confirmed as soon as possible. There is a small admin charge of £30, which does not include transport to or from the sites. We will try and facilitate lift sharing.

(Journey times: average by car)
