FRIDAY 12 JUNE 2026 (post-conference events)		
Site visits (various)	TBC	TBC
Falmouth Sea Shanty Festival	All weekend	Falmouth Town
Falmouth Classics	All weekend	Falmouth Town & Bay

2 - ABOUT THE UK MINING CONFERENCE IN CORNWALL

Dates: Wednesday-Thursday, 10-11 June 2026 (with pre- and post-conference events)

Venue: The Princess Pavilion & Gyllyngdune Gardens, Falmouth, Cornwall, TR11 4AR

Proudly created by Cornish Lithium in 2019, this event has grown to be one of the most important sustainable mining, investment and energy innovation conferences in the UK.

Held immediately before the International Sea Shanty Festival in Falmouth, it brings together like-minded people to celebrate, and deliberate upon the UK supply of critical minerals and the renewable energy transition, all fundamental factors in meeting the government's target of net zero by 2050.

With activities spanning a total of four days, there are ample opportunities for site visits, networking suppers and specialist meeting forums.

The mining industry is pivotal in securing the country's mineral supplies, with its pioneering methods to re-work mines in Cornwall and develop systems for discoveries in other parts of the country. Meet the explorers, sustainability experts and future miners.

We extract minerals and metals to provide for the world's growing population, from fertilisers for increased crop production, aggregates for construction to metals for transport and communication technology.

Enjoy the optimistic proven plans for growth and the resurgence of mining in the UK's economy, and how companies are achieving success while complying with ESG requirements.

Delegates include:

- Exploration companies
- Mine operators
- Suppliers
- Investors and brokers
- Academia and students
- Government departments –

all prepared to take projects to their next level.

If you are in, or interested in, this industry, you need to be involved, and, if you have a compelling story to tell, consider speaking to this high-profile audience.

Testimonials: *"The UK Mining Conference proved a very valuable experience for Aberdeen Minerals. We secured a major investment, as a direct result of presenting at this prestigious event."* Fraser Gardiner.

"The event provided a valuable platform for knowledge sharing, networking, and discussion on the future of the mining sector in the UK and beyond."

"The quality of the speakers, the relevance of the topics covered, and the seamless logistics all contributed to a highly rewarding experience."

"Your efforts in bringing together industry leaders, policymakers, and innovators are truly appreciated." Rob Tyson

"A refreshing conference: it's a community thing." Jeff Townsend.

HIGHLIGHTS FROM 2025	
440	Conference day delegates, from
18	Different countries
220	Individual companies/organisations
8	Government departments
3	Members of Parliament
52	Conference speakers & panelists
30	Exhibitors
120	Geothermal Forum delegates
40	Geologists' Workshop delegates
12	Inside Mining Seminar delegates
3	Sponsored happy hour drinks
3	Networking buffet suppers
1	Gala dinner
5	Awards for exceptional services
1	Live entertainment show
12	Site visits (with 70 participants)
1	Sponsored Golf Tournament

Awards	Sponsor one of the coveted awards – presented at the Gala Dinner <ul style="list-style-type: none"> • Exploration Discovery of the Year • Rising Star within the Mining Sector • Best Innovation in Mining • ESG/Outstanding Community Outreach Project • Finance Deal of the Year • Lifetime Achievement Award in the Mining Industry £1,000 each

5 – GEOLOGISTS & GEOTHERMAL FORUMS

Geothermal Forum & Geologists Workshop Session

Tuesday, 9 June 2026

Registration from 9.30am
Geothermal focus 10.00am – 5.00pm
Geologists' focus 2.00pm – 5.00pm

The Princess Pavilion & Gyllyngdune Gardens
Melvill Road
Falmouth
Cornwall
TR11 4AR

Following the tremendous success of the inaugural meetings in 2025, these two events will combine the similarities and the differences of their sciences. It will be a full day, open to ideas, experience and new recruits to the subjects, from explaining the origins to where we are now and where we go from here.

GEOTHERMAL FORUM: whether curious or informed, invested or developing, please join this event to learn, discuss and debate the future of geothermal energy.

GEOLOGISTS' WORKSHOP: structured workshop sessions in collaboration with some of the regular consulting groups.

The events will facilitate connections between the mining, exploration and energy professionals to promote interdisciplinary collaboration, helping influence policy by providing a united front from all sectors.

The **UKMC** consistently attracts external investment and key members of government to the area, who are instrumental in driving the mining, exploration and geothermal sectors' development.

Speaker sessions, networking lunch and 3 x refreshment breaks included.

£100.

6 - INSIDE MINING SEMINAR

Tuesday 9 June 2026, 2.00pm – 5.00pm
The Library Board Room
National Maritime Museum
Discovery Quay
Falmouth
TR11 3QY

The industry explained in half a day
An excellent insight for everybody associated with the mining industry

This 3-hour seminar covers the mining cycle, from exploration and investment to extraction, processing and marketing. Recap on the difference between resources and reserves, the different mining methods, the source of the industry's finance, where your company fits in the supply chain. Learn mining's jargon and key phrases.

Developed by industry analyst **Dr Chris Hinde**, formerly of S&P Global, and delivered by **Dr Paul Freeman**, formerly of Joy Global and Komatsu.

About the presenter: Paul Freeman

- Global Sales Director, Komatsu Mining Corp
- PhD in Rock Mechanics, University of Wales, Cardiff
- Past President of Cardiff University Mining Society
- Over 40 years' experience of mining around the world
- Longwall mining equipment specialist

Programme	
1.30pm	Registration and Coffee
2.00pm	The Mining Sector Size and shape of the global mining industry, including a summary of the largest mines/companies, and the most important commodities.
2.30pm	Geology and Mineral Deposits Summary of the target minerals and metals, the geological processes, the types of deposit and how we measure them.
3.00pm	Mining on the Surface Examination of the main mining methods, techniques involved and the types of equipment used.
3.30pm	Coffee (15 minutes)
3.45pm	Going Underground Review of the main underground mining methods, the techniques involved and the types of equipment used.
4.15pm	Commodity Recovery Overview of metals-recovery stages, including milling, smelting and refining, and of waste handling.
4.30pm	Mineral Economics Explanation of the influences on metals demand and supply, costs, and the long-term price behaviour of commodities.
4.55pm	Q&A & depart
Cost	£150 to conference delegates (£300 full price); free to media.

11 - NOMINATION FOR AWARDS 2026

Nominate a worthy recipient for one (or more) of the awards below by providing the details requested on the form.

1. Exploration Discovery of the Year
2. Rising Star within the Mining Sector
3. Best Innovation in Mining
4. ESG/Outstanding Community Outreach Project
5. Finance Deal of the Year
6. Lifetime Achievement Award in the Mining Industry

(if reading this on the website, please refer to www.ukminingconference.co.uk/awards)

NOMINATOR		
Your name		
Your email address		
AWARD		
Which Award(s) would you like the nominee to receive? (More than one category accepted)	1	Exploration Discovery of the Year
	2	Rising Star within the Mining Sector
	3	Best Innovation in Mining - new
	4	ESG/Outstanding Community Outreach Project
	5	Finance Deal of the Year
	6	Lifetime Achievement Award in the Mining Industry
NOMINEE		
Name of person you would like to nominate (self-nominations accepted)		
Company (if applicable)		
Job title (if employed)		
Nominee's contact email/phone		
The reason why you are nominating this person (maximum 200 words)		
Closing date for entries: 11 May. The judges' decision will be final.		
Please inform us if you (as the nominator) would rather be kept anonymous.	Yes/No	
The winners will be contacted before the conference to ascertain their acceptance, and will be announced at the Gala Dinner on Thursday 11 June 2026.		

12 - USEFUL INFO

TO HELP YOU PLAN YOUR VISIT			
Transport	Train: Falmouth Town from London Paddington; approximately 5 hours. (USEFUL INFO – if you're travelling by train from London, train fares from Newark to Falmouth are 40% cheaper than from London - & they go through Paddington!!)
